

# Architecture as landscape and as sculpture

**Glavovic Studio's ArtsPark - a new interactive public park in opens in Hollywood.**

Florida based architectural firm Glavovic Studio, recently unveiled The ArtsPark at Young Circle, a new public art project that takes the form of a ten-acre park. Located in downtown Hollywood the ArtsPark was conceived as an integrated artwork that transforms from an organic landscape into a constructed landscape, The ArtsPark provides daily, interactive, cultural experiences for the general public and comprises multiple activity spaces without walls designed for the activities that occur within them including a place designed for sedate activity, a highly interactive Children's Play Area The ArtsPark is a civic landmark that was created through strong female leadership; many women contributed to the realization of the project including Mayor of Hollywood Mara Giulianti and is now open to the public.
