

## **MILI DEL CASTILLO | SENIOR PROJECT DESIGNER**

Mili Del Castillo is a Senior Project Designer at GLAVOVIC STUDIO. She brings over 15 years of experience including working at Skidmore Owings & Merrill. Her experience ranges from project management, to architecture, interior and urban design. She enjoys working closely with creative and innovative clients to develop environments that are authentic reflections of their businesses and cultures. Her experience working in multiple cultures, helps her to understand the needs of international clients, markets, and work styles. Past project experience before joining GLAVOVIC STUDIO include leading the design for several projects including: the New Maple Leaf Lounge in Terminal 6 at LAX, Dolby Technology Headquarters, NBCU Executive Suites, Karlavagnsplatsen Gothenburg Hotel, Residential Lobbies and Room Prototypes, and the Tushino Master Plan. Originally from Lima, Peru she received a Bachelor of Architecture from Ricardo Palma University, Lima and a Master of Architecture from the University of California, Berkeley where she also taught an architectural studio with Walter Hood. During her free time Mili enjoys outdoor activities and community engagement through her work with SPARK Outreach and serving as a former board member for the IIDA SoCal Student Affairs Committee.
