

**CHRIS CHATTAWAY | PROJECT ARCHITECT**

Chris Chattaway is a Project Architect at GLAVOVIC STUDIO, is a registered architect in Australia and Queensland (RAIA and BOAQ) and received his Master's in Architecture from the University of Queensland, Australia. He has experience from concept design through to completion and has worked on a diverse range of project types, from restaurant fit outs to a \$6 Billion Stadium. Prior to joining GLAVOVIC STUDIO he was based in Brisbane, Australia and has worked for several Australian and internationally recognized architectural practices. He is passionate about creating unique authentic spaces, which focus on the end user's experience. Designing human scaled spaces which frame light and respond flexibly to the elements is a key concept for the details he designs. He has experience with both Modular and Prefabricated technologies, having worked on these types of projects through to completion. Since joining GLAVOVIC STUDIO and relocating to Los Angeles he has taken a keen interest in solving the homeless housing crisis in California and helping those marginalized in society today.
