

PABLO JEANNOT | SENIOR BIM MANAGER

Pablo Jeannot is Senior BIM Manager at GLAVOVIC STUDIO. He has worked with LEED consultants and owners to achieve low energy consumption in commercial buildings and to reduce their overall environmental impact. These projects were on the island of Maui, Hawaii where the biggest percentage of power is generated through burning fossil fuels. As Senior BIM Manager at GLAVOVIC STUDIO, he coordinates BIM across all projects and is Project Manager on key affordable housing projects. He brings more than 20 years of experience in overseeing production, including ten years in BIM and visualization solutions in all aspects of the design and construction industry. He was born in Buenos Aires, Argentina and received his Bachelor of Architecture and Urban Design from the Universidad Nacional de Cordoba. In his free time, he enjoys volunteering at nonprofits that aid those in need.
