

LU GENG | ARCHITECTURAL DESIGNER

Lu Geng is an architectural designer at GLAVOVIC STUDIO. She received a Master of Architecture from the University of California Los Angeles and specializes in architectural parametric design. She has worked on a variety of project types and scales ranging from housing, to schools and hospitals. She is interested in exploring high-tech products and implementing innovative solutions to architectural design challenges. While she is passionate about architecture, her interests also range from photography, to film, and Virtual Reality experience design.
