

MANDILEE NEWTON | PROJECT + SUSTAINABILITY MANAGER

Mandilee Newton, LEED AP BD+C, Intl. Assoc. AIA is a Project and Sustainability Manager at GLAVOVIC STUDIO. She has over twenty years' experience in the field of architecture and has won awards for design and thought leadership in environmental sustainability. She has also taught at the graduate level and has been a LEED® educator for over ten years. As Project and Sustainability Manager, she collaborates with the team on the design and integration of sustainability concepts. She applies strong attention to detail and extensive experience in the management of multi-disciplinary teams to achieve milestones and deliverables on-time, within budget and in line with client expectations. She began her career in the Caribbean where she maintains her architectural licensing. She has a broad and deep skillset which spans commercial, institutional, educational, residential, and healthcare typologies with a keen focus on exploring meaningful solutions for sustainable habitation.
