

**TIZIANA FELICE | JUNIOR DESIGNER**

Tiziana Felice is a Junior Designer at GLAVOVIC STUDIO. Originally from Caracas, Venezuela, she graduated from the Southern California Institute of Architecture with a Bachelor of Architecture. She has worked as an architectural intern at Arquitectonica and as a visual studies teacher assistant at SCI-Arc. Her interest in expanding her design knowledge in addition to architecture led her to work as an environmental designer and creative director assistant at an experiential design firm. She is a multidisciplinary designer that draws inspiration from the arts and the world around her.
