

THE BACKYARD, CULTURAL HUB, FLAGLER VILLAGE, 2 STORIES

Glavovic Studio Inc. is an award-winning architecture firm with offices in Fort Lauderdale, FL and Los Angeles, CA. We are committed to social impact through resilient architecture and collaboration. Our goal is to deliver exceptional architecture to our clients and the public who live in and experience our work. We seek like-minded individuals to join our team.

Glavovic Studio is hiring a PROJECT DESIGNER in our Fort Lauderdale office with 4 – 8 years of experience. Candidate should have a broad range of experience on public and private projects that include a rigorous approach to designing architecture. Glavovic Studio major project typologies include multifamily affordable housing, public art and cultural buildings in South Florida and California.

PROJECT DESIGNER will participate in all design and production phases, from Pre-Design through Construction Administration, with an emphasis on early conceptual and schematic design phases. Candidate work experience must demonstrate excellent design and technical skills, well-rounded construction document experience and excellent communication and organizational skills. Experience and knowledge in resilient design approaches and exceptional visualization skills are priorities for this position.
